

Are you a mother of a 4- or 5-year-old?

You may be able to participate in the
Mothers' TAKE Study: A study of Mothers'
Thoughts About what their Kids Eat

What You Can Expect:

- Located at the National Institutes of Health in Bethesda, MD
- Metro accessible
- Participants will be compensated
- Your child will **not** need to participate

For more information, please call:
301-451-1268

Email: mothers.take@gmail.com
